STUDENT HONOR CODE

The mission of J.W. Hallahan Catholic Girls' High School is to educate young women with faith, purpose, and vision through a Catholic values centered curriculum. The dignity and integrity of the institution and of each student are of paramount concern to the administration, faculty, staff, and students themselves. We cultivate young women with high ideals of morality, honesty, and respect for themselves and their community. Furthermore, we endeavor to create an atmosphere of personal and academic freedom and of mutual trust between students and faculty. Breaches of academic integrity by a student undermine the development of such an environment.

Students of John W. Hallahan Catholic Girls' High School must adhere to the Student Honor Code.

HISTORY OF THE SCHOOL

“There is an urgent need for the establishment in the City of Philadelphia of a Catholic High School for Girls” Father John W. Shanahan as found in the First Annual Report of the Superintendent of Schools for the Archdiocese of Philadelphia June 30, 1895.

In 1901, Father Philip R. McDevitt, who succeeded Father Shanahan, reported that five High School Centers had been organized throughout the city. Each was staffed by the religious community that staffed the parish school in which the Center was located. There was, however, still the dream of a Catholic girls’ high school. Along with the dream there was a prayer for a “Catholic Philanthropist” to meet this necessity and endow such a school. The prayer was answered in 1908, the centennial year of the diocese, when a devout Catholic lay woman, Mary E. H. McMichan, offered a gift of \$100,000 toward the establishment of such a school.

The faculty of the new school was another first. Father McDevitt invited the religious communities of the five High School Centers to continue at the new school. Four of the communities, the Sisters of the Holy Child, Sister Servants of the Immaculate Heart of Mary, Sisters of St. Joseph and the Sisters of St. Francis accepted the invitation.

In 1911, Father McDevitt presided at the laying of the cornerstone blessed by Pope Pius X.

In 1925, the name John W. Hallahan was prefixed to Catholic Girls' High School, for Mary McMichan's brother. For a century, over 39,000 young women have passed through Hallahan's halls, building the strong traditions that are currently alive.

SCHOOL SEAL

Designed by Bishop McDevitt

Our escutcheon incorporates the time-honored motto of the school, "Aptate Lampades Vestras," "Keep trimmed your lamps".

Prominent in the seal is a lamp, wisdom and Christian learning. This is shown by Christ's monogram, the superimposed Greek letters Chi and Rho, which form the handle of the lamp.

Beneath the lamp is an open book, the symbol of education. The letter Alpha on the first page and Omega on the last signifies that all learning should begin and end with God. The literary quill and the distaff of industry are on either side of the book, while Our Lady's lilies occupy the center of the field. The blue, white, and gold of the seal typify loyalty, blamelessness, and integrity which should characterize the lives of the students who claim Mary Immaculate as patroness of their school.

The Latin inscription, "Fides, Scientia, Modestia, Industria" found on the pages of the book suggests again that the education of the Catholic girl is modesty, industry, and faith.

ALMA MATER

Written by Sister M. Assissium, S. S. J.

Music composed by Nicholas A. Montani

“Let a floodtide of song
from our hearts pour along
O girls of the Hallahan High!
For the Mother whose art
doth her knowledge impart
As religion’s grand ally.
She has given us dow’r
of the mightiest pow’r
enrolled us ‘neath standard blest,
On whose azure field triple lily sealed,
Inscribed the Alumnae’s test.
Let our lamp then outgleam
With our Faith’s brightest beam:
O girls of the Hallahan High!
O girls of the Hallahan High!
Let the blue and the white
In their radiant light
Alma Mater Glorify!
Alma Mater Glorify!”

MINISTRY PROGRAM

“The challenge of discipleship—of following Jesus—is at the heart of the Church’s mission. All ministries with adolescents must be directed toward presenting young people with the Good News of Jesus Christ and inviting and challenging them to become his disciples.” (*USCCB, “Renewing the Vision”, 1997*)

The School Ministry Program develops our young women into disciples for the 21st century. Spiritual development is achieved through a life rooted in prayer and the Sacraments, and participating in the evangelistic mission of the Church. Our program includes daily mass, Sacrament of Reconciliation, monthly school liturgies, and annual retreats. The School Minister is available by appointment for private spiritual counseling.

DAILY MASS

Daily Mass is celebrated each morning in our chapel at 7:15 AM. Students, families, and alumnae are always welcome to attend. Contact Advancement Office to schedule intentions for Mass and Mass Cards.

SACRAMENT OF PENANCE

Penance Services are scheduled throughout the year to allow opportunities for this Sacrament. Students may schedule private appointments to receive the Sacrament of Penance or for Spiritual Direction by contacting the School Minister.

DAILY PRAYER

Prayer is “communication with God”. At all times of prayer, every student is expected to be reverent and, when appropriate, to stand. Each morning, the Hallahan community begins its day with prayer during the homeroom period. Silence is to be observed during prayers and announcements. The Pledge of Allegiance follows Morning Prayer. If students are anywhere other than homeroom when prayer begins, they are to stand in place until prayer and the pledge are over.

ANNUAL RETREATS

Every student must attend a school sponsored retreat each year. Students absent on the assigned retreat day will be required to make up the time before the end of the school year.

KAIROS RETREATS

Kairos is an intense, four-day spiritual retreat offered to juniors and seniors. The retreat is held at an off-campus location under the leadership of the School Minister along with a trained team of adult and student leaders. Student who attend a Kairos retreat are exempt from their class retreat day.

SERVICE REQUIREMENT

Each student is required to complete community service projects each school year by becoming active in their local parishes and communities. This requirement is designed to engage students in a meaningful work of Christian charity and to enable students to make a difference in the world.

RCIA (Rite of Christian Initiation for Adults)

Students interested in becoming Catholic are welcome to contact the School Minister who will coordinate with the student's parish in beginning the RCIA process. Sessions may be conducted for Religious Instruction at school with the School Minister, at the Pastor's discretion. The Rites of Initiation are performed at the student's territorial parish by the Pastor or local Bishop.

DIVERSITY

We are certainly very proud to be a very diverse school community. Our Catholic identity challenges us to be attentive to the needs of all our students regardless of their race or religious background. Since we are a Catholic School, attendance at school-wide liturgies, prayer services, and other religious exercises is required for all students, regardless of their personal religious beliefs

COURSE SELECTION/ROSTERING

Academic Affairs will make every effort to roster all students to the courses selected and approved, however, there are constraints based on the number and availability of teachers, number of sections, course scheduling conflicts, class size, bargaining unit requirements, etc. The Principal will be the final arbiter when such conflicts occur.

Computer-generated rosters are issued to students during the month of August. There is a charge of \$1.00 to provide an additional copy of the roster.

RESPONSIBLE USE POLICY FOR TECHNOLOGY

Preamble

Catholic Schools of the Archdiocese of Philadelphia Revised May 2017

The heart of our curriculum is timeless ~ love, truth, beauty, mercy. We teach about creation as well as the Creator. We educate on being in solidarity with those who suffer and how to cultivate a prayer life.

In his message for the 48th World Communications Day, Pope Francis said that technology is a “*gift from God.*” The Pope challenged the Church to use this tool to promote the faith, asking how communication can “*be at the service of an authentic culture of encounter?*” Because of these things we are committed to participating in society. And to be committed to such participation requires using technology in appropriate ways.

We are interested in technology because of our faith.

We expect our students use technology to think more critically, to communicate effectively, to express their creativity, and to conduct research. Our teachers have access to updated technology in

their classrooms to engage our students and challenge them to learn in ways not previously imaginable. We empower students with the technical skills necessary to participate in a culture that is increasingly dependent upon technology while challenging them to be digital ambassadors spreading the Good News.

But, it is our faith that guides how we use technology.

We teach our students about the ethics of technology and train them to be savvy about things like Internet privacy and safety. We teach the unfortunate reality of technology addiction. We remind students and parents that technology is aggressively marketed and to be careful about getting caught up in the hype.

We also acknowledge that we sometimes need to “unplug” from technology as it can cause us to become isolated from one another. We encourage family meals without screen time and the importance of communicating face to face.

We greatly value technology in our schools. And what makes technology most powerful is when it serves to make our students better people!

RESPONSIBLE USE POLICY FOR TECHNOLOGY

Catholic Schools of the Archdiocese of Philadelphia

PURPOSE

Technology is a valuable and real world educational tool. **All Archdiocese of Philadelphia schools will educate all students about appropriate online behavior, including: interacting with other individuals on social networking websites and in chat rooms, cyber bullying awareness and response to ensure responsible use of technology.** The policy outlined below applies to all technology use including but not limited to Internet use. *The Responsible Use Policy for Technology* applies to all students, faculty, administrators, staff, volunteers or community members allowed access to school technology resources. In some cases outside or personal uses of technology may be applicable under this policy.

SCOPE OF USE

We recognize that the digital world allows anytime, anywhere access. Uses mentioned in this policy apply to **inside school** use and may in certain instances apply to personal technology use and/or uses **outside of school**. Where personal outside

use of technology threatens a likelihood of substantial disruption in school, including harming or interfering with the rights of other students or teachers to participate fully in school or extracurricular activities, these activities may be viewed as a violation of the Responsible Use Policy and may be subject to the disciplinary measure found herein.

Only a parent/guardian is permitted to wait for a Hallahan student outside at dismissal. All others must wait one block away from school grounds. Loitering around the building, across the street, or homes in the area is strictly forbidden.

ATTENDANCE POLICY

Regular attendance at school is essential to good scholarship. The learning experiences of each day are important and difficult to make up if missed. Colleges and future employers use attendance records to determine dependability. Therefore, it is important that students attend school every day.

A **parent** or **guardian** must call the absentee line, (215) 569-8049, before 9:00 AM. **A student may not notify the school of her absence.** The parent or guardian should state name, the student's name, the student's number and reason for absence.

A parent/guardian must complete the official absence form. This form is available in the Student Services Office. **A doctor's note should be presented with an absence of three or more days.** Doctor's note should be presented with the official absence form whenever a student is under a doctor's care. Doctor notes must be submitted within the same quarter of the absence.

Student experiencing a long-term illness must contact the Principal, who will collect and distribute assignments to a parent. If health conditions permit, arrangements will be made for the administration of tests/exams.

Students who have been absent without current Doctor Certificates for 22 or more days will be required to attend the Summer Program to remain a student in good standing.

EXCUSED/UNEXCUSED ABSENCE

If a student is not physically present in the school building, it is recorded as an **unexcused** absence. The only absences recorded as “excused”:

- Death of an immediate family member- 5 days
- Scheduled college visit in senior year- 1 day

Seniors are permitted one day as an excused absence for a college visit. Prior to visit, they must notify Assistant Principal Student Services. Upon return, they must present verification of the visit.

The following are an excused one-day absence only in the event that there are no other absences and the student is eligible for Perfect Attendance:

- death of extended family (day of funeral only)
- Documentation of the funeral must be presented for the absence to be recorded as “excused”.

Students who are absent from school may not participate in after-school activities on the day of absence; i.e. athletic events, dances or proms, etc.

Perfect Attendance Certificates will be issued to students who are within the following guidelines:

1. NO absences
2. NO lateness
3. NO early dismissals

LATENESS FOR SCHOOL

If a student accumulates **10** late days in one quarter, she will be suspended and fail conduct for that quarter. If a student accumulates **25 or more** late days in one year, she will incur a second suspension and fail conduct for the year. If a student accumulates 25 late days and fails conduct for the year, she will be required to attend a summer attendance program before she is admitted to school for the next year.

If a senior accumulates 25 lates in one year, she is liable not to participate in graduation exercises and/or attend a summer attendance program before being issued her diploma.

NOTE: Perfect Attendance is awarded only to students who have NOT been late during the school year.

HEALTH SERVICES

Every freshman must have a current physical on record in the nurse's office by September 15. Freshmen who do not have a current physical documented will be contacted. This is a state law mandate, therefore, non-compliant students will NOT be permitted to attend school.

The nurse's office is located on the second floor of the Cathedral building. Vision and growth screenings, auditory testing, and TB testing are done according to the School Code. Medical concerns are reported to the parents so that a physician can evaluate and prescribe treatment.

Health problems, the immunization program, and communicable disease exclusions are monitored by the school nurse. The school nurse should be notified of any special health conditions that affect a student's social or academic progress or limit her physical activities in school. A note from a parent and doctor explaining the condition will be kept in the nurse's office and Student Services office. This information will be kept confidential and only shared with written permission of parent or guardian.

Medications brought to school must be registered in the nurse's office and taken in the presence of the school nurse or in the Student Services Office. Medication schedules should be adjusted around school hours whenever possible.

If the nurse is not in school, students who are ill are to report to the Student Services Office.

For safety reasons, only the school nurse (a health professional) will evaluate your daughter and/or administer medication. School staff will not administer over the counter medication to students. No student will be permitted to leave class to request over the counter medications from staff.

Students who need to take medication during the school day must report this to the school nurse or to the Student Services Office if the nurse is not in school. In order for medication to be administered at school, the school form, signed by the doctor, and the medication must be submitted to the Student Services.

This person must then inform the Assistant Principal for Student Services. If the student has not told her parents, she is given time to do so, or the counselor will inform the parents.

A letter from physician must be on file indicating the length of time student may remain in school. Student cannot remain in school longer physician recommendation. Each case will be evaluated individually, however, and the Principal may decide that it is in the student's best interest to leave the school on an earlier date. When the student leaves, she is assigned full program of independent study-with specified assignments to be completed by a designated date. During this time, she will continue to be carried on the roll of the school.

The Principal, the Assistant Principal and a Counselor will review with the student and parents/guardians the support services of the school, the desire of the school to have the student continue on roll, the method of completing assignments, and the expected levels of achievement and responsibilities.

ARCHDIOCESAN ABORTION POLICY

Upon receipt of information that a student has procured or assisted another in procuring an abortion, the school principal will promptly arrange to meet with the student and her parent(s).

If the principal determines that the student procured or assisted another in procuring an abortion, the student shall be referred for counseling to an appropriate support service, e.g., Archdiocese of Philadelphia Project Rachel, Catholic Social Services, School Ministry Office, etc.

The school principal will attempt to handle each matter in a spirit of Christian compassion and forgiveness, but when public scandal, the students' refusal, or failure to participate in counseling or other circumstance warrants, the school principal may dismiss or take other appropriate action.

The school principal and other individuals who learn of any such matter will handle in a confidential manner to the extent possible, and communicate it only to those individuals at the school, at counseling services, and at the Office of Catholic Education who have a reason to know.

HARASSMENT/SEXUAL HARASSMENT

Harassment because of a person's sex, race, age, national origin or disability is particularly egregious. Accusation of such harassment will be thoroughly investigated and appropriate sanctions will be imposed.

Sexual harassment can result from unwanted sexual attention, sexual advances and comments or requests for sexual favors. Examples include:

- Unwanted physical contact;
- A pattern of offensive remarks such as unwelcome comments about appearance of clothing, obscene jokes, sexually explicit or offensive language;

A copy of the Harassment/Sexual Harassment Policy is on file in the Principal's Office.

PEER HARASSMENT POLICY

John W. Hallahan Catholic Girls High School is a NO PLACE FOR HATE school and participates in the SpeakUp! Program.

Peer harassment, or “bullying” is considered a serious breach of the conduct code and mission of our school. Peer harassment is defined as intentional, repeated hurtful words, acts, or other behaviors such as name-calling, threatening, and shunning, committed by one or more students against another. This, or any pervasive, unwelcome action, physical, verbal, or written, which has the effect of disrupting normal and appropriate activities of anyone within the school community, is strictly prohibited.

If, after a formal report and investigation, a student is found to be in violation of the Peer Harassment Policy, the following sanctions will be put in place:

- First Offense:
 1. Complete the Acknowledgement Form with the Assistant Principal for Student Services
 2. Call parent/guardian to notify them of the infraction.
 3. Identify the specific issue and explore the motivation behind the act(s) through the “Think About It” component.

Cases of peer harassment that are deemed serious at the first offense will result in 31 demerits, immediate suspension, and review for dismissal.

CYBERBULLYING

Cyberbullying is defined as sending or posting harmful or cruel text or images using the internet or other digital communication devices (ie., instant messaging, email, cell phones, text messages, defamatory personal web sites, chat rooms). Any student involved in **physical/ verbal/ electronic violence**, threatened or actual, will be dealt with severely. Cases may be referred to law enforcement officials. Violence, verbal or physical, will not be tolerated. Any physical or verbal abuse or intimidation towards teachers, staff, or students is liable for immediate dismissal.

If any student engages in physical fighting during the school day, traveling to or from school, or at any school function, she will be liable for immediate dismissal from Hallahan. Any student who travels to another school after dismissal for the day and is involved in intimidation or fighting will be liable for immediate dismissal. The rationale for the school's policy concerning fighting is twofold:

I. We are a Catholic school and we are founded on a philosophy that is based on the two great commandments of Christ: *Love God* and *Love Your Neighbor*

II. We are committed to providing a safe environment for each student who attends Hallahan High School.

If a student is involved in a physical fight:

(1) Parents will be called and must pick the student up from school immediately and

(2) Suspension will occur and the terms of suspension will immediately go into effect.

FINANCIAL INFORMATION

John W. Hallahan is operated as a faith based community, and not as a commercial or secular enterprise. The school provides an opportunity for the development of faith-based values and for receiving instruction in the Gospel of Christ as part of its religious mission and ministry. Consequently, the payment of tuition may not be considered as creating a commercial or contractual relationship between the school and the parents that may be construed to create a legally enforceable obligation on the part of the school, or its sponsoring ecclesiastical entities, to allow for continued enrollment, or to provide any type or level of educational services, or to provide such services involuntarily.

TUITION

Tuition for students in the secondary schools of the Archdiocese of Philadelphia is \$7400.00 (Catholic) and \$7900.00 (Non-Catholic) for the 2017-2018 fiscal year. When three or more students in the same family are in high school at the same time, each receives a discount. If your tuition account does not reflect this discount, please provide the Tuition Office with a list of the students' names, their grade and high school. The family rate does not apply to students in parish grade schools or in private high schools.

TUITION ASSISTANCE & SCHOLARSHIPS

Although tuition continues to be an excellent value as compared to the tuition in other dioceses and in private schools, we realize that it puts a serious strain on some budgets. In order to assist families in providing for a Catholic school education, financial aid is available

Parents seeking financial aid must complete the SMART AID Form. The application process ensures that the amount of aid given to each family is objective and that as many needy students as possible receive help. Families currently receiving tuition assistance must reapply for the next school year. Please contact the Tuition Office for information concerning any other grants applications which may be available.

If a student receives scholarships or tuition assistance from other sources, Hallahan reserves the right to reduce a diocesan grant so that these funds may be allocated to other students.

If a student receives a scholarship or grant, it will be allocated to the student's account each month beginning in June and ending in April. Parents/guardians are responsible for paying the net amount due each month to keep the student's tuition account current. If the student withdraws during the year, the full amount of the grant or scholarship will not be credited to the student

account; the amount will be prorated based on the time the student has been enrolled.

FEES

In addition to tuition, Hallahan has the following fees:

TUITION REFUNDS

No refunds will be given after April 1st of the school year, since the resources have been allocated for the student's education. The school fee is non-refundable. In the event of a withdrawal, scholarships and grants are prorated in the same manner as tuition.

DELINQUENT TUITION

According to Archdiocesan policy, delinquency in payment of tuition and fees results in the following:
